News

The ODD Sock continues to grow. We now have a 6x12 trailer that will hold 82 boxes in addition to the 38 that are held by Sockhorse. This will allow delivery of more socks to shelters. It will also allow us to pick-up more donations and do bigger processing events (sorts).

The months of September through March there is a high demand for socks. Therefore, not only are socks needed but also volunteers to process and financial resources to deliver. **The ODD Sock** is looking to engage volunteer groups, financial partners, new and used sock donation locations to meet the need in these 7 months.

Events

September is “Socktember” month. The emphasis for the month is gently used sock collection. During the months of July, August, September and October we will need groups to process the socks (sort), so that we may deliver them from July through December. Please book your community service event with **The ODD Sock** now and reserve your desired date(s). All dates are open for scheduling via: volunteertheoddssock@gmail.com
